Rick – Is this the latest version of short slide deck?

If so I will update with the date and the updated agenda (attached to meeting invite) and I'll bring copies to the meeting.

Nancy—

See our responses in red. We've also pared down the slide deck. It's about 7 substantive pages, but I think we can get through it quickly so that we have plenty of time for discussion.

Subject: RE: Current Draft Background Paper for 6/15 ESA Discussion

Rick,

This is a great slide deck and I found it very helpful.

A few questions as I try to get educated:

Ex. 5 - Deliberative Process

Ex. 5 - Deliberative Process

I think a slide deck like this is great background to send to meeting participants. However if we try to go through it in an hour, we wont have any time for other discussion. Can we pare it down to 5-6 slides to cover at the meeting to help focus the discussion on where we are and where we need to head? What would that look like?

Thanks!

Nancy
